## **Tena koutou, tena koutou, tena koutou katoa**

We would like to welcome you to the ANZICS NZ Regional Annual Scientific Meeting, to be held from Wednesday 4th to Friday 6th March 2020 at the Napier Conference Centre, Napier, NZ.

The theme for our conference is

**A 2020 Vision of our Environment: The Spectrum of Intensive Care**

The programme for ANZICS 2020 is now confirmed and set to truly deliver a 2020 Vision of our environment.

The Intensive care community certainly faces challenging times ahead. We aim for our interwoven themes of environmental sustainability and climate related challenges, health equity, welfare and capacity to both inspire and inform.

The team at Hawke’s Bay ICU looks forward to welcoming you to our beautiful region in March of next year.
